Laser Shootout! has arrived in Hong Kong! Our laser shootout division here was launched in Mar 2009, here at Anergy, we are excited that this game is now available in Hong Kong. Laser Tag wargame is a family friendly game, being child safe as it involves no projectiles, it is an ideal family outing, birthday party and corporate team building activity.

Anergy has experience in organising corporate teambuilding and training programmes and events, kids birthday parties and fun shootouts for mixed groups.

Anergy has been involved in Laser Tag activities as early as 2005 and has help popularise it in Singapore. With the help of venue partners, Laser Shootout is now available to residents in Hong Kong Island, New Territories, Lantau Islands and Kowloon area.
